

ASEA®

RENU28® Revitalizing Redox Gel

If you are looking for a skin care product that is both safe and effective, look no further. RENU28® is revolutionizing the way we think about skin care. RENU28® is free from toxicity or harmful additives that can irritate skin, and daily application encourages 28 days of surface skin cell turnover for tighter and more nourished skin from head to toe. Utilizing our patented redox signaling technology, RENU28® will change the way you see skin care, and change the way others see you.

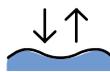

Reawaken and rejuvenate your skin

Our skin-priming, age-fighting, cellular-rejuvenating gel powers both your skin and body to look their best so you can feel your best. Containing ASEA's innovative redox cell signaling technology, RENU28® promotes hydration, elasticity, soothing, and skin surface cellular renewal. One simple gel, so many benefits. No wonder more than 10 million tubes have been sold worldwide!

Clinically tested, third-party approved

RENU28® users report visible improvements in skin texture, smoothness, elasticity, and even an improvement in the appearance of cellulite—all affirmed by independent third-party clinical trials.

Smooths

Improves the appearance of fine lines, wrinkles, and cellulite

Hydrates

Enhances hydration for tighter and more nourished skin

Calms

Provides relief to skin after shaving, sun, or minor irritants

Soothes

Cools with a soothing sensation after physical activity

We power potential™

RENU28®

Revitalizing Redox Gel

Ingredients

Aqua / Water / Eau, Sodium Magnesium Fluorosilicate, Sodium Phosphate, Sodium Chloride.

RENU28 Gel is produced in our FDA-registered, NSF-certified facility and is certified by an independent third-party lab to contain active redox signaling molecules.

Directions

Use RENU28 Gel morning and evening after cleansing as step two of your RENUAdvanced® Skin Care routine or anywhere on your body, anytime, to prime and support areas of specific concern. Shake well before using.

Caution

For external use only. Avoid contact with eyes. If skin irritation occurs, discontinue use. Keep out of direct sunlight.

Proven results

World-renowned dermatological research institute Dermatest® conducted clinical trials on RENU28® Revitalizing Redox Gel with amazing results.

Over 28 days, clinical tests showed visible improvements.

Surface skin cell renewal

16%

Skin texture

22%

Skin smoothness

23%

Skin elasticity

20%

Appearance of cellulite

16%

RENU28® Gel has earned Dermatest's coveted 5-star clinically tested seal, its highest possible commendation for safety and efficacy.

Cruelty-free

Does not include animal-based ingredients and is not tested on animals.

Suitable for all skin types

Dermatologist and clinically tested. Not tested on animals.

Pure and simple

Free of parabens, artificial colors, sulfates, phthalates, and propylene glycol.

Feel the difference or it is free

We put our money where our benefits are. That is how much we believe in the power of redox. And if you are not into it, totally fine. More for us.
